Sir,

Sub:- Thrissur Development Network-Reporting of available open seats for
Accommodating students of Returnee Migrants – Reg.

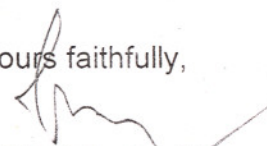

As you are aware, NRIs are returning especially from gulf countries owing to the economic recession. The students of Returnee Migrants are finding it difficult to get admission in various classes due to the non-availability of correct information about the seats available in different schools.

In order to support them the District Administration is designing various intervention programmes. As the returnees need proper guidance and hand holding support in getting admission to their children, you are requested to fill up the proforma appended and return by 15th May 2009. .

Any further clarification can be had from .the Employment Enabling Agency, District Tourism Promotion Council, Thrissur Office, Phone No.0487-2320800.

With Regards,

Yours faithfully,
